OCU Leave of Absence (LOA)
A Leave of Absence (LOA) is a benefit offered to you as a “continuing” OCU student. It enables you to further your educational, occupational, or personal goals and still be associated with Prescott College. **You must apply for and be approved for an LOA.**

**Advantages of an approved LOA:**
- “Reserves your spot” in the subsequent term’s curriculum. [The Registrar’s Office will send you registration materials for the term you plan to return to Prescott College prior to the pre-registration date.]
- Allows you to return to PC after one term away without having to re-apply for admission.

**Follow these steps to apply for and be approved for an LOA.**

**Step 1:** Obtain an LOA form from the Registrar’s Office or online.

**Step 2:** Talk to your advisor. S/he can help you plan your LOA and fit it into your overall education plan.

**Step 3:** Speak with the OCU Dean. To schedule an appointment call 928-350-2243 or email space@prescott.edu.

**Step 4:** You must have signatures from your advisor and the OCU Dean.

**Step 5:** Financial aid recipients: You also need a signature from the Financial Aid department.

**Step 6:** Submit the completed, signed form to the Registrar’s Office.

**Important Information Regarding LOAs!**
- LOAs are granted for one enrollment period (excluding summer for a student enrolled in the Spring term).
- LOAs may be extended for one additional enrollment period, for a maximum of two (2) consecutive enrollment periods.
- Requests for LOA extensions must be made through the OCU Dean’s Office.
- All LOA extensions must be approved.
- A student who does not receive approval for an LOA, and does not enroll for the current term, will be withdrawn from the College, and will need to re-apply through the Admissions Office.
- A student who does not enroll at the conclusion of an LOA, and does not receive approval for an extension, will be withdrawn from the College and will need to re-apply through the Admissions Office.
